WELCOME TO

CORE CORPORATION

Core Corporation
Elemental Solutions

Core Theory....

Core Group brings you an unique combination of solutions for your Daily Elemental requirements on a turnkey basis !!!

Our engineering solutions ensure the best of the products and designs for your projects as they are tweaked and customized specially for your requirements.

Earth's Green products , Fire representing Energy division, Clean Air heating & cooling solutions, Water harvesting and purifying systems & Eco Technology are what blends all the elements and creates an absolute genesis called Core.

Our vision is to provide all these solutions with a touch of sustainability and contribute to the green foot prints of the planet.

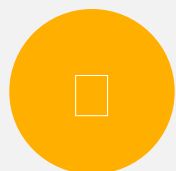

Self Sustain & Eco Integration

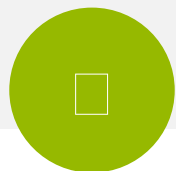

Core Eco Buildings

Presentation : **Agenda**

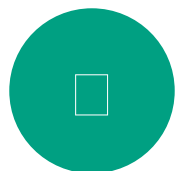

Company Profile

Core Corporation Pvt. Ltd. (OPC) was set up in Mid 2016 with an intention of contributing It's bit towards the green and clean sector.

Core Eco Buildings

A Systematic approach towards futuristic & Sustainable buildings with target of maximum cost free living

Eco Packages

Sustainable solutions have been split into multiple packages for step wise approach with turnkey discounted offers.

Introduction to Core Eco Buildings

The Epitome of Self Sustenance & Eco Integration

A ultimate package and turnkey solution for a Green Building.

- 1. Clean Energy solutions**
- 2. Water solutions**
- 3. LEDs and Energy efficiency**
- 4. Waste management solutions**
- 5. Air Purification Solutions**
- 6. Exotic Gardening Solutions**
- 7. Solar Security Solutions**
- 8. IGBC Rating & Certification**

Its time to upscale your environment and add some green spark to it. Create a sustainable society with a touch of luxury and smart technology.

WHY CORE?? : BULK DISCOUNTS! ONE STOP GREEN SOLUTION!! ONE STOP WARRANTIES & MAINTAINANCE !!!

Key **Project Management**

Green Integrator
Mr. KUSH SHAH

Mechanical & Solar
Engineer with Six Sigma

MEP Expertise

About Us

Our Portfolio

**Eco Touch & Designing
experience ranging from
residential, commercial to
Industrial systems.**

Our mission

**Contribute to the best of the
green footprints & accelerate
greener technology &
Alternative natural substitutes**

Our vision

**Combine Green Requirements &
Cater with turnkey solutions with
sustainable products & projects.**

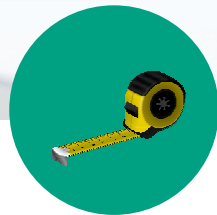

STEPS WITH OUR SERVICES

2 minute PDF questionnaire will just help us understand your requirements in a better way

Fill the questionnaire

Get us an appointment with your architect or get us your plot visited

Call for Site Visit/Architecture Appointment

Get best combo green packages with turnkey solutions

Take Preliminary Proposal.

Place LOI, Release Advance & Sign Contracts

Place the order along with O&M contracts

About Eco Buildings

Increase Green Footprints & Push latest green technologies with Eco friendly solutions

Earth Organics & Eco Friendly

Non conventional resources are unlimited that are needed to be tapped with best & robust technology

Renewable & Natural Energy

Use Solar/normal Sheds & terraces, Air & Sea to harvest water along with purification solutions

Harvested & Purified Water

Hot & Cool with Clean Air Quality management products for superior experience at Micro Level.

Clean Air & Environment

Down Size your bills + Go For Green Tech Substitutes with a touch of nature.

Eco Friendly Technology & Environmental Essentials

Our **Earth Organic Systems**

Core Earth Organic Program

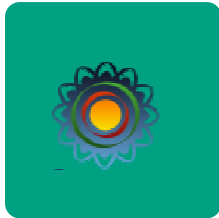

Key Element in increasing green foot prints & accelerating green substitutes with warranted solutions Complete Range of Natural Green & Bio combined with Degradable products & alternative substitutes to Toxic solutions.

Expert Botanist | Committed Farmers | Integrated Interiors | Local Encouragement

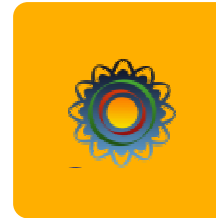

Our **Terrace Gardens & Vertical Plantation**

Get Automated green systems on go...

- Eco solutions
- Waste space utilization
- Long Life
- Provides positive vibration aesthetics
- Reduces new furniture cost
- Low maintenance

A **vertical** garden is a technique used to grow plants on a **vertically** suspended panel by using hydroponics. These unique structures can either be freestanding or attached to a wall

Purposes:
Residential
Commercial
Industrial ISO

50-500 Sq.M
Aggressive Green Footprints
Exotic Options
IGBC points

Lifetime Warranty
Auto Service
Rs.4500- Rs- 5,00,000/-
Core In House

Our **Hydroponic + Organic** Subscriptions

Core Customized and tied up organics for weekly & monthly subscriptions

VegeTales A tale of delivering hydroponically-grown Fresh, Nutrient-Rich and Residue-Free vegetables from our farms to your doorstep..

Zama Organics is a leading organic food supplier in Mumbai.
Deliver certified organic Fruits, Vegetables and groceries directly from the fields..

Purposes:
Residential
Canteens
Restaurants

1 Kg-100 Kgs
Organic & Pesticide free
Wax Free
Export quality

1 Day Delivery
Weekly Services
Rs.200/- onwards
Dealership Acquired*

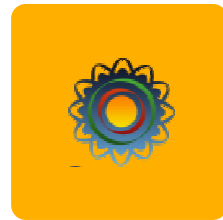

Our **Automated + Manual composting solutions**

Varieties & sizes of composting solutions

Since its inception in 1941, **Excel Industries Limited** has been known as a pioneer in the area of crop protection chemicals for the **Industry** as well as the farming community

Durable Composting Kits with Enzyme Supplies & collectors **Specially designed by Core Corporation** for waste management solutions

Purposes:
Waste Management
Composts
Fertilizers

10-400 Kgs
10X faster
Volume upto 2400 Liters
Automatic/Manual Options
Low on Maintainance

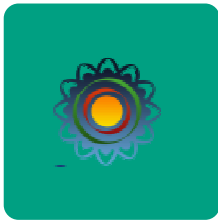

2-5 years Warranty
1 Week Service
Rs-25000-Rs.2 Lacs
Prebooking*

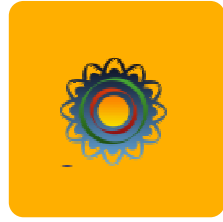

Our **Bonsai+** Terrariums

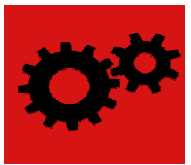

Lobby Décor & Interior Boosters Increase green Footprints

Core Customized & exclusive tie ups with best artists for Bonsai, Terrariums & Eco-Arts. Bonsai Culture with exotic collections ready to be displayed at your lobby for eternity.

Specially Green Artist designing right plant & soils for right ambient conditions with expert botanist advice. Sizes in Rectangles, Globes & Cylinders available.

Purposes:
Plants footprints
Bird nests
Animal shelters.

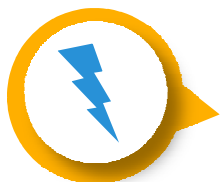

Balances nature pyramid
Green footprints
Green aesthetics
Improves ambient conditions

1 years Warranty with service
Life Time Paid AMC
Best Local Tie Ups

Our **Renewable Energy Systems**

Core Renewable & Non Conventional Energy Program

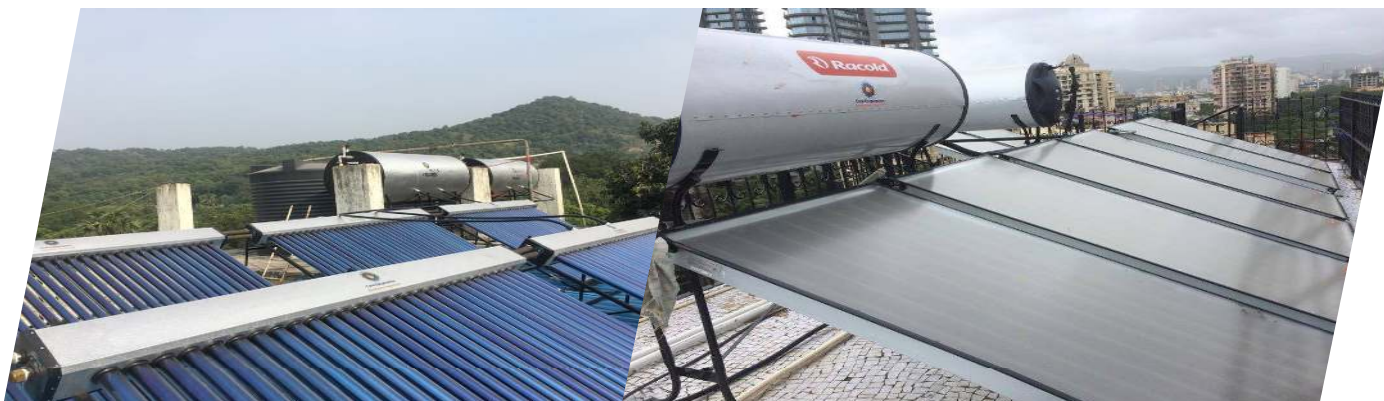

Key Element in reducing the Carbon emissions & providing energy independence
Non conventional resources are unlimited that are needed to be tapped with best & robust technology

Best Standards | Tier 1 Supplies | 25 Years of design life | Integrated interiors | International Standard of maintenance

Our **Centralized** Solar Water Heaters

Complete range of pressurized, thermo-siphon, Indirect, Flat Plate & ETC Range of Solar Water heaters

V-Guard is a robust brand engaged in manufacturing and supplying a comprehensive range of solar water heaters.
V Hot Series
V Hot + Series
Manifolds

As one of India's leading **solar water heater** manufacturer, **Racold** has created a range of **solar water heaters** which ensures optimum energy absorption and high efficiency

Purposes:

- Bathing
- Canteen
- Industrial Pre heating
- Solar Swimming Pools

100-15000 LPD
All weather solutions
High on carbon savings
Reduces 25% Bills

5 years Warranty with EPC
1 Week Service
Rs.45000-Rs.3,00,000/-
Dealership Acquired

Our **Solar PV Systems**

Roof Top Solar On Grid & off Grid Range of Solar system

SMA/Proinso: Tier 1 Supply Tie Ups with International Quality & Warranty Range of Equipments upto 25 years of service life

Luminous has over 30 years of experience as a leading power solutions. Widest Range. One Stop **Solar** Solution. Easy Installation. Best in class service.

Purposes:
High Bills
Power Cuts
Green Energy

1 kWp- 1MW
3- 5 Years of Payback
30 years of life
Saves carbon emissions

5 years Warranty
1 Week Service
NABCAP Certified
Rs.1,00,000-Rs.1 Cr
Qualified Installer

Our **Wind Energy + Hybrid Systems**

Complete Range of domestic & commercial windmills

UE 42 plus / 5.1 KW

Features

- Lowest cost per watt
- Neo magnets for long life
- High output for low winds
- Unique angle governing
- Sustained output in high winds
- Ruggedised body frame
- Stainless steel components
- Whisper quiet

Unitron Energy Systems unitron. Small Wind Energy. Experts. **Unitron** @glance: 19 year Micro generation technologies include small scale **wind turbines**

Micro & mini grids Forming Solar & wind principal and creating hybrid grids for completely reliable solutions.

Purposes:

On Grid
Off Grid
Hybrid Energy
Hill Stations

5 kVA to 250 kVA
Low Cut in Speed
Low Maintenance
20 years of free power

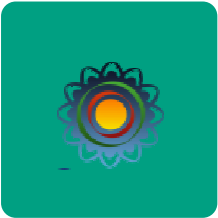

5 years Warranty with EPC
1 Week Service
Rs.45000-Rs.3,00,000/-
Dealership Acquired*

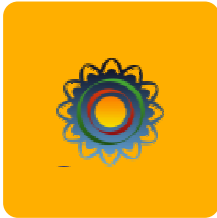

Our **Solar Customized Solutions**

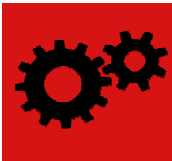

Get Automated green systems on go...

Solar Benches with Mobile & Laptop Chargers at Strategic points With reliable & super safe solutions & technology compatibility.

Customized designed car parks with future ready EV charging integrated Designs & Solutions which creates a solar infrastructure while also generates income from car parks.

Purposes:
Balconies
Car parks
Walls

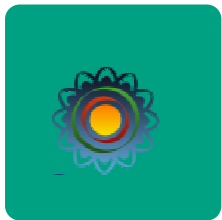

1 kVA-100 kVA
Hybrid Class
All Weather Proof
Saves Emissions

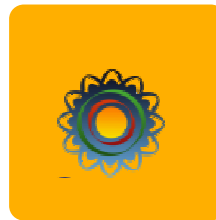

5 years Warranty
1 Week Service
Customized prices
Inhouse Engineering

Our Solar Integrated Solutions

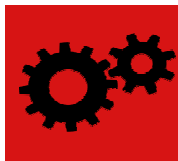

Core Best Tie Ups And integration for portable solutions

Compatible solutions with Light & Fans & standard Plug points .
 Can be availed with complete range of low wattage warranted solutions

Integrated solutions with Street light effects & premium warranties
 Can be availed with complete range of low & high wattage solutions

Purposes:
 Balconies
 Car parks
 Walls

10 W-400W
 Hybrid Class
 All Weather Proof
 Saves Emissions
 Provides independence

2-5 years Warranty
 1 Week Service
 Customized prices
Inhouse Engineering*

Our **Bio Gas Systems**

Core Customized solutions with quantum green with RCC & Polypropylene plastic based collectors

Quantum Green is India's leading Domestic Biogas Plant, Industrial Biogas plant, Waste to energy and BIO CNG company having pan India presence

Bioflame Established in the year 2007, **Bio Flame** in Kazhakootum, Thiruvananthapuram is a top player in the category **Biogas** Plant Manufacturers

Purposes:
Residential
Canteens
Restaurants

10-1000 Kgs
High Calorific Value
Low Ash Content & residue
Clean Power

5 years Warranty
1 Week Service
Rs.25000/- to Rs.5,00,000/
Dealership Acquired *

Our **Eco Technology Systems**

Core Eco Technology Organic Program

Key Element in reducing the wastage burden of resources & energy.
Down Size your Renewable power plant size & bills + Go For Green Tech Substitutes.

Experienced Integrators | Best Brand Supplies | Standard & Premium range | One Stop Warranties

Our **LEDs** & Eco-Lighting Solutions

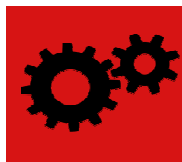

Standard & Premium Ranges of LED solutions

Wipro Lighting, Smart & Connected Lighting solutions, best led company & Top Led manufacturer.

V-TAC LED brand selling in over 70 countries and has a variety of products from LED BULBS, LED SPOTLIGHTS, LED FLOODLIGHTS, LED TUBES and many more LED ranges.

Purposes:
Residential Automation
Industrial Efficient
Commercial Flood Flights

1-500 Watts
Solar Available
Automation available
4x lesser power

2-5 years Warranty
1 Day Service
Rs.25-Rs.5000/-
Distributor Tie Up*

Our Eco Heat Pump Geysers

Achieve 3.5+ COP & 50-80% off on your geyser bills.

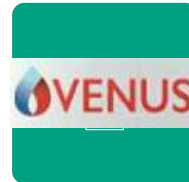

As one of India's leading **water heater** manufacturer, **Racold** has created a range of **heat pump** water heater relies on a compressor to function. The compressor absorbs the heat from the air and transfers it to the storage tank with best COP

Rabtherm builds total energy systems with guarantees of power in kW and temperature for the need of the customer. The system includes sewer pipe, heat pump & Heat exchanger & connection pipes

Get non - stop hot water in seconds anywhere in the house using a *Venus Heat Pump Water Heater*, while saving as much as 75-80% on your heating costs.

Purposes:
Showers
Swimming Pools
Jacuzzi
Industrial Pre Heating

100-250 Liters per hour
Solar+ 50 KW Heat Pump
Upto 55* C
Tank storage possible

5 years Warranty
1 Week Service
Rs.95,000-Rs.3,50,000/-
Dealership Tie Up

Our **Electric Vehicle Charging Systems**

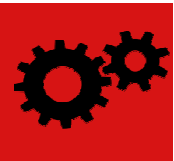

World's Most Compact & world's best experience both at your doorstep

EO Charging is the UK's leading **electric vehicle charger** manufacturer with distributions in **India** and over 30 countries around the world.

With over 40 years of expertise in power technologies and energy management, **Delta EV charging** solution is dedicated to enabling e-Mobility of tomorrow.

Purposes:
Residential
Local
Commercial
Industrial Fleets

3-22 kVA
Longest Design Life
Best Safety Standards
0 Fuel Emissions
Solar compatible

2-5 years Warranty
1 Week Service
Rs.45,000- Rs.2,00,000/-
Dealership Acquired*

Our Solar + VFD Efficient Pumping Services

Energy Efficient, Solar Compatible & VFD based pumping systems

Water Pump

Grundfos has a global presence and is a full range supplier within pumps for heating, air conditioning, irrigation, industry, groundwater, boosting and water storage.

Shakti Pumps India Ltd, World s Largest Pumps, Motors Manufacturer, Supplier. For a quality pumping solution choose from the Shakti Pumps range

Purposes:
Solar Bore Wells
Energy Irrigation
Tank Storage

1-5 HP
Direct Sun Working
Independent & Robust
Subsidy Available

5 years Warranty
1 Week Service
Rs.75,000-Rs.2,50,000/-
Dealership Acquired

Pure Water Solutions

Core Water Program

Key element in conservation & utilization for water resources at micro & macro level.
Use Solar/normal Sheds & terraces, Air & Sea to harvest water along with purification solutions

Best Institute Tie Ups | Best Brands Integrated | Expert Engineers Empanelled

Our Rain Water + RO Systems

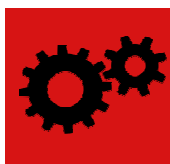

Premium & standard Water harvesting solution Along with multi stage technologies

Vardhman Envirotech provides you the best range of raintap roof water filters, rainy self cleaning roof top filter system & surface rainwater harvesting.

- Budgeted RO solutions
- **BARC & Haffkine** Labs Approved Technology
- Long Life
- Strong Support & Service Team
- Turnkey Solutions

Purposes:
Residential
Canteens
Restaurants
Commercial

100-1275 gallons
Solar Available
Automation available
Storage tank available

2-5 years Warranty
1 week Service
Rs.2500-Rs.50000/-
Dealership under acquisition*

Our **Kangen+** Sharp Systems

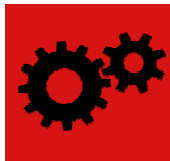

Gift the flat owner with reliable & premium water conditioning with ionizing & Purification Solutions.

Kangen means "return to origin" in Japanese. **Kangen Water®** is **alkaline** water produced by Enagic's **alkaline** ionizer and **water filtration** machines

CLEAN Drinking Water with the **SHARP Water purifier**. Whatever the normal water does, Sharp WP enhances the effects.

Purposes:
Residential
Canteens
Restaurants
Commercial

10-50 gallons
Automation available
PH Level controllers
Chlorine controllers
Multi Stage Technology

2-5 years Warranty
1 week Service
Rs.2500-Rs.50000/-
Dealership with independence*

Our De-scaling systems

Electric & Galvanic Softeners : Residential & Commercial Range of Water Softeners

Aquadeep Enterprises Offers RO or **Water Purifier** Repair, Wastewater **treatment** system

UNIQUE POWER SOLUTION - Manufacturer of **Water Softener** & Purifier, Electronic **Water Conditioner**, Industrial Electronic **Water Conditioner**.

Purposes:
Residential
Canteens
Commercials

25L-5000L per Hour
Operates in High TDS
Long Lasting solutions
Less Water wastage
Longer water equipment life

2 year-Lifetime years Warranty
1 Day Service
Rs.2500-Rs.5000/-
Dealership Acquired

Clean Air with **Heating** & Cooling Solutions

Core Clean Air Program

Key Element in controlling air quality & carbon emissions with efficient & anti polluting technology
Tie Ups with best Air Quality management products for superior experience at Micro Level.

Air Quality Monitors | New generation Air Circulation Science | Sophisticated Micro Principles

Our **Domestic +** Commercial Air Purifiers

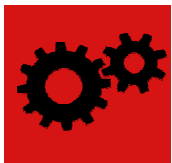

Best of Domestic & International Standards of Air Quality: Multi Level technology & Consultation for achieving suitable CADR*

Sharp Air Purifiers comes with dual technologies, "Active" Plasma cluster technology and "Passive" Filtration process.

Blueair Air Purifier for Home & commercials with HEPASilent Technology and Dual Protection Filters for Relief from Allergies, Viruses, Pets, Dust, Asthma, Odors etc

Purposes:
Industrial
Clinical
Residential

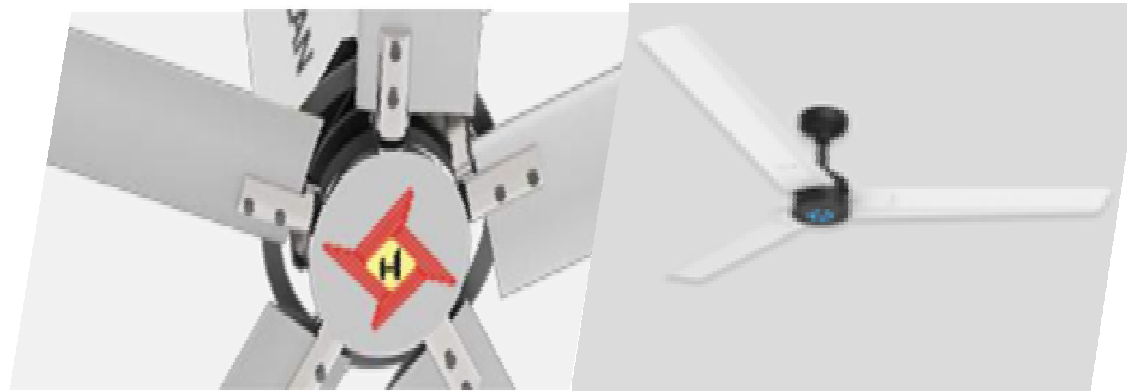

Hepa Silent
Anti NO2/NOC/VOC
Anti RNA viruses
Anti Allergics

2-5 years Warranty
1 Week Service
Rs.5000-Rs.50,000/-
Channel Partners

Our **Domestic+** Commercial **Energy Efficient** Fan Range

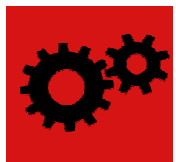

Domestic & Industrial Range of energy efficient fans: Core Helps in energy audit with replacing your old heavy coiled fans with new efficient ones.

The Brilliant **Hercules** Ceiling fan is a huge 96" overall diameter **industrial** style ceiling fan. The fan comes with an energy efficient DC motor

Atomberg Technologies pioneer manufacturing of smart and energy-efficient home appliances powered by the BLDC motor.

Purposes:
Industrial
Commercial
Residential

50-60% Savings
Remote Controlled
Less Copper
More efficient

2-5 years Warranty
1 Week Service
Rs.1500-Rs.9,0000/-
Dealership Tie up

Our **Thermal + Eco** Space Air Conditioners

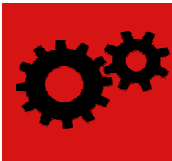

Efficient Medium & Small Standards of Air Conditioner with Multi Level technology

Onyx is India's largest hybrid solar air-conditioning company. It fulfills the needs of a large number of corporate and commercial customers and has also established leadership in the field.

Reduce your monthly electricity bill upto 80% with our innovative Product called **Tupik**. **Tupik** is Redefining Comfort with its Eco-Friendly, Economical, Light Air Conditioners

Purposes:
Small Rooms
Power Factor correction
Highly Heated Places

.25-2 Tons
50% Savings
Power Factor Incentives
Higher compressor efficiency

5 years Warranty
1 Week Service
Rs.12000-Rs.65000/-
Dealer Prices

Our Energy Radiation Controlling Chips & Pods

Mobile, Electronics, Wifis & Mobile Tower Radiation Protection
Core Ties up with expert science companies to tackle radiation problems & enable it to masses..

Kaizen Anti-radiation **mobile chip**: Anti Electromagnetic radiation & battery salvage sticker-
Function: It can absorb and transfer the electromagnetic radiation waves for Team Mobiles

Anti-radiation **pods**: Anti Electromagnetic radiation from routers and mobile towers can be avoided & neutralized with pods at strategic places.
Envirochip is producing world class pods for the same.

Purposes:
Phones
Societies
Office & Homes
Electronics

Radiation Neutrilizer
Ambient Balancer
Pro Bio Life
Clean radiation

2-5 years Warranty
1 Week Service
Rs.500-Rs.5000/-
Dealership acquired *

Our **Environmental Essentials**

Core Flora & Fauna Program

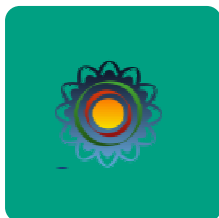

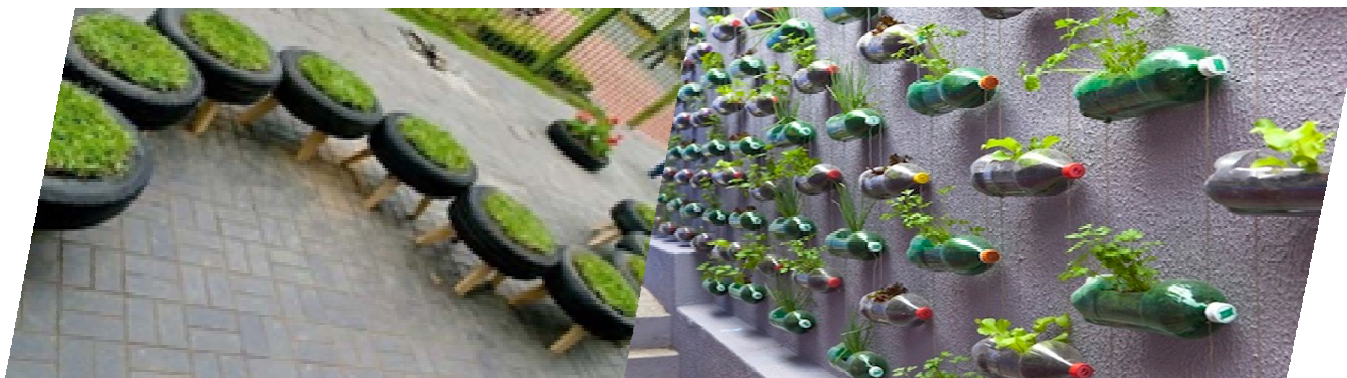

Key Element in increasing green foot prints & accelerating Flora & Fauna solutions
Complete Range of Natural Environmental combined with Degradable products & alternative substitutes to Toxic solutions.

Expert Designs | Committed Solutions | Integrated interiors | Local Environmental

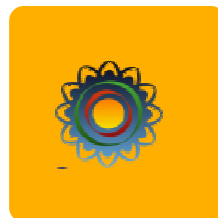

Our **Eco Space Solutions**

Up cycled Budgetary Eco Spacing solutions reviving dead spaces

- Eco solutions
- Waste space utilization
- Long Life
- Provides positive vibrational aesthetics
- Reduces new furniture cost
- High maintenance

Budget beautification with up cycling solutions through special interior touch & eco sustainable ideas.

Just Send us the space photo & we solve the rest with proposed concepts

Purposes:

Residential Societies
Commercial
Industrial ISOs

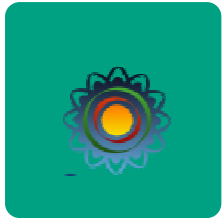

Longest Design Life
Best Quality Standards
Solar compatible

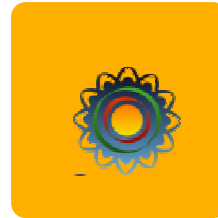

2-5 years Warranty
Prompt Service
Rs.5,000- Rs.2,00,000/-

Our **Air & Land Shelter Products**

Electronics, Acs, Android/IOS compatible AI Devices & Sensors

Core Eco Designs with Aesthetic & budgetary Environmental Fauna solutions with bird shelters for domestic & wild exotic birds for rain & radiation protection

Rough Sun & hard rain protection with strong & comfortable Street & Premium Dog Kennels For your Sheru & Tommy.

Purposes:
Residential
Gardens
Commercial
Societies

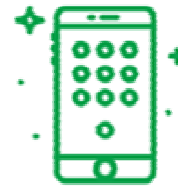

Best Marine Wood
Comfortable & spacious
Eco Friendly Paints
Free Installation
Solar Compatible

5-15 years Warranty
Prompt Service
Rs.500- Rs.5,000/-
Custom Made

Our **Voice Controlled+App** Environmental Switches

Core Ties up with expert automation companies to tackle energy wastage problems & enable it to on your fingertips & voice

Remote Control Mobile App Voice Cor

Wretro transforms your house into a SMART Home. Control your entire home with the help of Remote control, Mobile App and Voice Commands.

Creepiest or laziest Corners need not be accessed While smart phone controlled automation takes care with the smart switches & long term power saving solutions

Purposes:

- Hotels
- Office & Homes
- Electronics Apps
- Hospitals / Clinics

- 0 Energy Wastage
- Track Daily Power Chart
- Fire & Water Accident Alerts
- Baby & Pet Motion Sensor
- Anti Theft Features

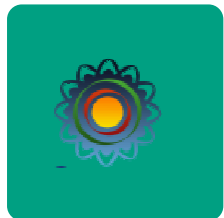

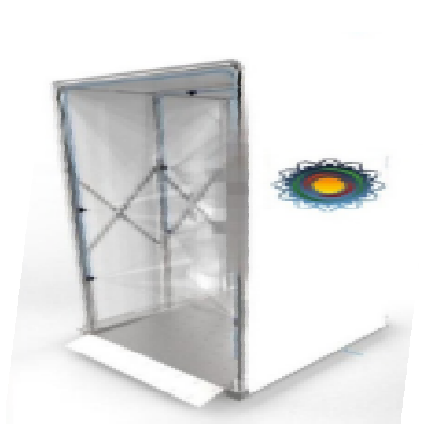

- 2-5 years Warranty
- 1 Week Service
- Rs.1200-Rs.5000/-
- Dealership acquired*

Our **Sanitization booths** & Environment Friendly & FDA Grade Sanitizers & Disinfectants

CE/FDA & WHO Standards Of Products: Core Customized Sanitizing booth & Monthly liquid Subscription

Core has established In house Tie ups with GMP/CE complying Agencies for Booth Manufacturing for World Class Standards & Safety.

Zenith produce products for protection against infection and contamination with scientific & surgical grades with Environmental friendly range available with Core Corporation

Purposes:
Residential
Hospitals / Clinics
Commercial

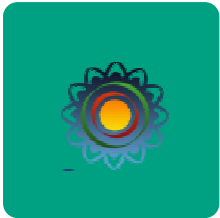

Best in Class with FDA Liquids
Longest Design Life Booths
Best Safety Standards
100% disintegration in H2O & O2
Based solutions

2-5 years Warranty
Prompt Service
Rs.45,000- Rs.2,00,000/-
Dealership Acquired*

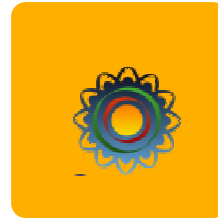

Our Water Conservation Projects

Standard Aerators + Bed Plantation + Algae treatment

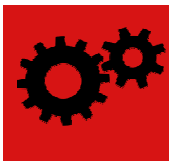

Water Reviving techniques

With optimized integrated technologies & automated solutions

Scuba + Botany Experts with water treatment chemicals & compatible solar aerator solutions

Purposes:

- Dead Lakes
- New Water bodies
- Ponds
- Artificial lakes

- 50 Sq.M-500 Sq.m
- Floating Solar Available
- Automation available
- Create Natural Environment

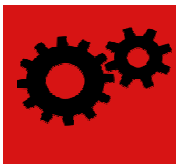

- Life Time Warranty
- Rs.5 Lac/- to Rs.50 Lac
- Crowd Funding Accepted
- InHouse Tie Ups

Core IGBC Buildings

Complete Package

Ardra Green Building Studio has been established by Architect Shamani Tendulkar and Environmental Strategist Sneha Chavan, creating the most ideal situation for Green where Environment & Architecture synergize with each other.

Purposes:
New Buildings
Commercial
Residential
Industrial

500 Sq onwards Sq.m
Complete Design
Consolidated Certification
Create Natural Environment
Get 3-7% FSI

Life Time Warranty
Rs.5 Lac/- to Rs.50 Lac
InHouse Tie Ups

Core Clean Audit For New & Existing Premises

Clean Audit: TO KNOW WHAT

Air you BREATHE: Monitor the Air Quality:

Nox/ VOX, CO2, CO Etc

Buy our Air purification solutions or carbon Sink plants.

Radiation you Absorb: External+Internal Radiation:

Mobile towers+ Electronics TVs, Microwaves .

Get our Stickers and Pods and keep your brain freer !!

Nitrates / Pesticides you EAT: Nitrates Testing

Test fruits & veggies for pesticides and waxing
& change your vendor to us.

Salts you DRINK: TDS/PH/EC/SALT Testing: Tap & Purified Parameters

Check water Parameters before and after filtration
& get according solutions with our multiple range .

Energy you WASTE: Clamp Meter Testing

Test old equipments like Acs, pumps,
Fans and replace with our energy efficient ones

Lights You Over-Throw: Lux / Motion Sensor Testing:

Check low light and high consumption and replace it with our range

Also check radiation levels at your windows & Terrace for solar products

Key USPs of the Corporation :

Power Of Independence:

Sustainable Solution
One Stop Warranties
Premium & Standard Range of solution

12/7 x 365 Commitment:

12 Hours Call Center Support for all the products & projects
Strategic Local Support & Tie Ups
Reliable Solutions

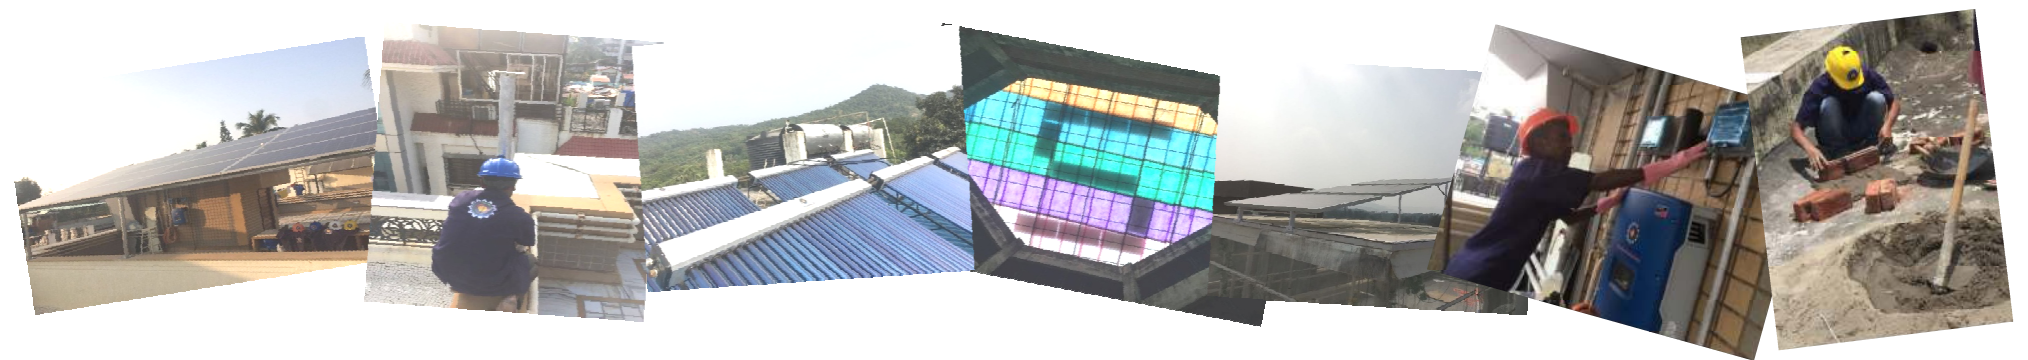

Strong Company Policies:

Only Environmental Friendly Products
Anti Plastic Strategies
Anti Toxic Products
Anti Wastage Policies
Up-Cycling Strategies
Green Foot Print Generator

Pilot Projects Executed by Core Corporation

- 1000 Liter: Solar Water Heating, Borivali.
 - 5 kwp Solar Power Plant, Juhu.
- 3 HP Grundfos Pumping System, Borivali.
- 3.25 kWp Solar Power Plant With Street Lights, Mumbra School.
- 100 Liter Water Filtration System , Mumbra School.
- Lonavala Solar Water Heater: 200 Liter.
 - 1 kWp Lonavala Bungalow
 - 2000 Liters, Vasai Resort
